

Frigate project gets boost

The *Canterbury* frigate project is to get a financial boost after a Bay business donated a hand-made rata and kauri wooden table for silent auction. Bidding for the table, donated by Natural Timber Creations and valued at \$2000, can be done at www.naturaltimbercreations.co.nz or email info@naturaltimbercreations.co.nz with name, contact phone number and amount offered. The table can be viewed at the Bay Reports office, Hub Mall, 94 Kerikeri Road, Kerikeri. The auction starts today, (November 22) and ends at 5pm on Friday, December 7 with the highest bid winning. Paul Marley is pictured with the stylish rata and kauri table to be silent auctioned.
